baby i was willin to give you all of my love  
baby i was willin to give you all of my time  
just so we could be together  
and share a love to last forever baby  
thats when you came and said to me  
that we should spend some time apart  
why did you go and do that baby i just cant take it  
if you dont want me tell me

baby if you dont really love me  
just let me know your wishin  
on my way i should be  
baby if you dont really love me  
just let me go let me be so i can find someone to love  
me

what kind of girl do you think that i am  
to let you play with my heart  
and what kind of fool do you take me for baby  
i just wont stand for it anymore

baby if you dont really love me  
just let me know your wishin  
on my way i should be  
baby if you dont really love me  
just let me go let me be so i can find someone to love  
me

baby tell me do you want me  
i gotta know right now  
tell me right now  
baby i've been a fool too long for you  
and i cant wait

baby if you dont really love me  
just let me know your wishin  
on my way i should be  
baby if you dont really love me  
just let me go let me be so i can find someone to love  
me  
baby if you dont really love me  
just let me know your wishin

on my way i should be  
baby if you dont really love me  
just let me go let me be so i can find someone to love  
me
