Chorus:

One last time time time 2x
oooh yeah

Who am I to say
The hurt you are to feel
The one who has the broken heart
Knows what it takes to heal
But if you understand
The human that I am
Find it in your heart
The place where love will start
So we can try again
Then you can give me (one last time)
To hold you
And make you realize (make you realize)
The love that I have inside
I need to have you (one last time)
Here in my arms
I need you in my life
Baby one last time

I know that I was wrong
Though I can't explain
I never meant to break your heart
Or push your love away
But she could never mean
Much of anything
Love is more than physical
It's mental and spiritual
And we our spirits need (one last time)
I wanna hold you
And make you realize (make you realize)
The love that I have inside
I gotta have you one last time
Here in my arms
I need you in my life
I was wrong but I wanna make it right
Just hold on believe in us
And stay with me tonight
One last time ooohh one last time

(who am I to say, the future will reveal)

One last time (8x)

one last time
