I can't believe it's true  
I'm standing here in front of you  
And you are here with me  
So unbelievable  
I'll never ever let you go  
My heart is yours for keeps  
Lets make a vow (make a vow baby)  
Right here and now (here and now)

This is the day that I've prayed for  
And you are the girl of my dreams  
And my place in life is right here by your side on this  
day  
This very moment (this very moment)

Today is you and I  
We celebrate a brand new life  
That God has given us  
Until the end of time  
I hold your precious hand in mine  
Promise you can trust..  
these simple words  
forever of my love for you

This is the day that I've prayed for  
And you are the girl of my dreams  
And my place in life is right here by your side on this  
day

My heart is is all a dream  
This day was meant to be  
I need you desperatly  
Through all eternity  
So perfect and so right  
I want to share my life  
I'm here by your side  
From now on

This is the day that I've prayed for  
And you are the girl of my dreams  
And my place in life is right here by your side on this  
day

This very moment  
This very moment  
This very moment

I can't believe it's true  
I'm standing here in front of you  
And you are here with me  
This very moment
