(Tupac)

By age 13 I was buckwild/Good in my knuckle game
Made it through a tough childhood/Never be the same
Walked in my daddy's shoes/No time to be a peaceful
man
Just shatter fools/That's 'til I put my eyes on you
Goddamn sweetheart/You got some thighs on you
Now I can't wait to get you home/Get you all alone
In my bedroom /Baby can we bone and get it on?
Tell me lady how you like me/And if you want it harder,
baby
Come and bite me/But do it lightly
Cuz that excites me/The lady bite
And if you lick me right/I'll do it all night
Only got fucked by a drug dealer/Never felt the real
passion of a thug nigga
Though I like the way you scream when you lovin'
me/I'm goin deep
It's the thug in me/So whatcha sayin, girl?

Chorus

Thug nigga like me
Need a thug lady like you
I got alotta thug in me (In me)
That I wanna put in you (Put in you)

Thug nigga like me
Need a thug lady like you
I got alotta thug in me
That I wanna give to you, girl

(K-Ci)

Woke up this mornin'
Feelin' kinda horny
I want you to come over
To get some of this thug love
Tell me how you want it, girl
Tell me how you like it, girl
Tell me do you need it, girl
Don't try to fight it
Come on

Chorus

Thug nigga like me
Need a thug lady like you
I got alotta thug in me (In me)
That I wanna put in you (Put in you)

Thug nigga like me
Need a thug lady like you
I got alotta thug in me
That I wanna give to you, girl

(K-Ci)

How do you want it? (How do you want it?)
I said toss it up (Toss it up)
Let me be your dentist (Be your dentist)
Let me floss it up (Floss it up)
Tell me how you want it (Want it)
Tell me how you need it (Need it)
Tell me how you like it (Like it)
Don't try to fight it (Fight it)

Chorus

Thug nigga like me
Need a thug lady like you
I got alotta thug in me (In me)
That I wanna put in you (Put in you)

Thug nigga like me
Need a thug lady like you
I got alotta thug in me
That I wanna give to you, girl

(Tupac)

Moan baby when we bone/It's on
It's so strong niggas in the next room will come/I got
your head swinging
Tongue kissing/As I hit it from the back
With the bed ringing/Give me space
As I lick your face/Stick the place
Synchronized so I grind/When they kick the bass
Love fucking in the mornin'/I get you wet, bust a sweat
Then I'm gone/Left you on your own, girl
Tell me what you feel like/Blindfolded I'm cold do it
real nice
That's if it feel right/Maybe it's the thug in me
I pull your hair/While we fucking in the chair
When you loving me/Up against the wall
You can have it all/Just try
Bet my kiss/Can get you high
Don't pass by/Grab me by my nuts
When I'm loving you/Now open up and let me put the

thug in you

(Chorus)

Thug nigga like me
Need a thug lady like you
I got alotta thug in me (In me)
That I wanna put in you (Put in you)
Thug nigga like me
Need a thug lady like you
I got alotta thug in me
That I wanna give to you, girl
