Wanna Do You Right

My lady my lady listen  
I'm been doin' u wrong for so damn long  
But now i wanna do the right thing by you lady  
I can't live like this no more  
I've gotta get you back some how some way  
Please come home

I've been doin' you wrong girl  
For so damn long girl  
Now I'm singin' this song girl  
Cuz baby I wanna do right

I've been doin' you wrong girl  
For so damn long girl  
Now I'm singin' this song girl  
Cuz baby I wanna do right

Listen

Time goes by we grow apart  
But now I've had a change of heart  
Please believe me  
There's no smile upon my face.. no no no no no  
Cuz I know the truth is standing right here in my mind

I've been doin' you wrong girl  
For so damn long girl  
Now I'm singin' this song girl  
Cuz baby I wanna do right

I've been doin' you wrong girl  
For so damn long girl  
Now I'm singin' this song girl  
Cuz baby I wanna do right

No I can't lie  
NO MORE  
No I can't cheat  
NO MORE  
No I cannot play

No more  
Baby I just can't  
No more  
Baby I wanna be the man that you need  
Girl can't u take me back  
Baby baby please

If you don't take me back  
I'll understand  
Yes I will  
Yes I will  
It's only my fault cuz i was not a real man  
I'll do the very best i can  
Oh yes I will  
Raise my hand to god  
I won't  
Never love another  
I would never cheat again baby

I've been doin' you wrong girl  
For so damn long girl  
Now I'm singin' this song girl  
Cuz baby I wanna do right

I've been doin' you wrong girl  
For so damn long girl  
Now I'm singin' this song girl  
Cuz baby i wanna do right.
