I really love you  
Girl I really love you  
You gonna love me  
I know you gonna love me  
Don't you know that the feelings are real so deep down  
in our souls tonight  
Ooh wee, Last night I wrote a letter to you, I want you to  
know  
Don't you know that the feelings are real so deep down  
in our souls tonight  
And you know

I really love you  
Girl i really love you  
You gonna love me  
I know you gonna love me  
Can I get a witness  
jojo we're gonna do it this time  
Can't nobody  
Ain't nobody  
Can't nobody sing like us  
Jo Jo Jo  
Sing it boy  
Don't you know that the feelings are real so deep in our  
sould tonight
