Listen baby, hey, listen

Like a rainbow after the rain  
Like a cool summer breeze  
Like a flower growing by the spring  
In the middle of the desert

You're my oasis  
When I'm tired and thirsty, yes, you are  
You fill me up till I get enough  
You're like the dew drops on my face baby, you gotta  
shake it

I just can't find the words to show you how much  
I really love you more  
There is no words to touch the thought of ever losing  
you  
That makes me wanna cry, cry

Like an early morning sunrise  
Ooh-ie, baby, you're full of surprises  
And if it ain't with you, brand new  
I'm so glad God gave me you

And if I had to change one thing about you baby  
I wouldn't change a thing  
Don't you know I gave my life to protect you, baby  
'Cause you brought me my dignity, oh

I just can't find the words to show you how much  
I really love you more  
There is no words to touch the thought of ever losing  
you  
It's makes me wanna cry, cry

Oh, yeah, yeah, I

I just can't find the words to show you how much  
I really love you more  
There is no words to touch the thought of ever losing  
you  
Makes me wanna cry, cry

Oh, yeah, yeah  
Don't wanna ever lose your love no, no, oh, no  
Hey, hey, hey, yeah, you, you, you, you, you you  
I don't wanna lose
