baby i was willin to give you all of my love
baby i was willin to give you all of my time
just so we could be together
and share a love to last forever baby
thats when you came and said to me
that we should spend some time apart
why did you go and do that baby i just cant take it
if you dont want me tell me

baby if you dont really love me
just let me know your wishin
on my way i should be
baby if you dont really love me
just let me go let me be so i can find someone to love
me

what kind of girl do you think that i am
to let you play with my heart
and what kind of fool do you take me for baby
i just wont stand for it anymore

baby if you dont really love me
just let me know your wishin
on my way i should be
baby if you dont really love me
just let me go let me be so i can find someone to love
me

baby tell me do you want me
i gotta know right now
tell me right now
baby i've been a fool too long for you
and i cant wait

baby if you dont really love me
just let me know your wishin
on my way i should be
baby if you dont really love me
just let me go let me be so i can find someone to love
me
baby if you dont really love me

just let me know your wishin
on my way i should be
baby if you dont really love me
just let me go let me be so i can find someone to love
me
