Yeah
This time is not our first time
And we're still here
Singing those songs for you
This time is not our first time
And we're still here
Singing those songs for you
Jojo (Yeah, yeah, yeah)
Jojo (Yes)
Are you ready? (I'm ready)
'Cause I'm ready to do our thing
It's going on
I said it's going on (It's going on)
Are you ready
I said it's going on (It's going on, it's going on)
This time is not our first time
And we're still here
Singing those songs for you
(K-Ci's Ad-lib)
This time
