For your love...

*Baby I'm like a sad man
*I knew I was wrong
*But when I told you all those lies, huh
*I was a fool to make 'em
*I was a big fool
*But you got to believe me when I said I loved you.

For you love I would do anything baby *(Everyday
hasn't been sunny
(just for your love, just for your love) without you
eversince,)

For you love I would go anywhere honey,
*(Huh, but then again everyday hasn't been, cloudy
either)
And just for you love I would do anything baby,
(just for your love, just for your love)
For your love I would do anything

Listen...
I see the tears
I caused you to cry
Now I know it was a mistake
When I lied, baby
Not a day goes by
I don't wish to see your eyes
I wish I could bring you back my way
Everyday for your love I pray

For your love I would do anything baby
For your love I would go anywhere honey
And just for your your love I would do anything baby
(just for your love, just for your love)
For your love I would do anything

Listen, listen, listen baby...
It's been awhile
Since I felt your embrace

Things are so sad in my dreams
All I see is, All I See Is Your Face, ...baby
I dream about the day you said goodbye
For your love I'll climb any mountain
It doesn't matter, how high aby

For your love I would do anything baby (Anything, babe
anything baby)

For you love I would go anywhere honey (I will go
anywhere)
And just for you love I would do anything baby, (You x7)
(Just for you love, just for you love)
For your love I would do anything

K-Ci: JoJo help me sing it.
JoJo, JoJo, JoJo,

JoJo: Anywhere, anywhere, anywhere anywhere
Anywhere, anywhere, anywhere, anywhere ..
(ANYWHERE)

K-Ci: Anything you want from me
Anythng you need from me
Anthing you need and anything

(Anything...)
JoJoAny song you want me to sing
If I can play it
Baby darling she'll sing
(Just name the song)
Anything you want from me
I'll do it for you

For you love,
Just for your love, just for your love,
For your love (I would do, I would surely do, for you - I
will climb any
mountain)
And just for your love (I will climb the highest mountain)
For your love I would do anything (I would do anything
for you, baby, baby,
baby)

For you love I would do anything baby,
(Just for your love, just for your love) (anything,
anything,
anything, anything. Anything)
For you love I would go anywhere honey, (I would never
hurt you x3,
baby, baby, baby...)

(All I wanna do is love you till the end)
And just for you love I would do anything baby,
I'll do it for you
For your love I would do anything.
(All I wanna do is love you till the end)
