Baby listen

I was sittin' at home, thinkin' to myself  
I started thinkin' 'bout you  
how much I do love you, I really do  
I would never trade you, never forsake you  
'Cause nothin' could be better  
That's why I wrote you this letter , I love you always lady

Last night I wrote a short letter  
(I wrote a short letter)  
And it went this way  
(And it went this way)  
Dear baby I love you just thinkin' of you  
(I love you just thinkin' of you)  
Love always

Last night  
(Baby)  
I wrote a short letter  
(I wrote a short letter for you)  
And it went this way  
(And it went this way)  
Dear baby I love you just thinkin' of you  
(Yeah yeah yeah yeah)  
Love always

Now I know I could've called, but it seems much better  
this way  
'Cause I'm missin' baby, I'm so blessed you're my lady,  
lady  
(You're my lady, you're my lady)  
Now you know I can't wait until tomorrow  
When your in my arms again, holdin' and kissin' you  
Doin' the things we love to do until then

Last night  
I wrote a short letter  
And it went this way  
(Went this way)  
Dear baby I love you  
(I love you)

Just thinkin' of you  
(I'm just thinkin' of you)  
Love always  
(Baby)

Last night  
(Oh yeah)  
I wrote a short letter  
(Yes I did)  
And it went this way  
(Yes I did)  
Dear baby I love you just thinkin' of you  
(Ooh)  
Love always

Ooo, ooo  
(Oh baby)  
Ooo, ooo, ooo, ooo  
(All the things you do for me, do it for the things you  
wanna do for me)  
Ooo  
(Baby)  
Ooo  
(Oh baby)  
Ooo, ooo, ooo, ooo

Last night  
(Oh yeah)  
I wrote a short letter  
(I wrote it)  
And it went this way  
(Went this way)  
Dear baby I love you just thinkin' of you  
(Yeah yee yeah )  
Love always
