some of you might know this song
it's an oldie but goodie
so feel free to sing along

oooooooooyaaaaaaaaa
babay baby baby
oooooooooooooooooooo

(some more moaning)

oh yes

(even more moaning)

Lately I've had the strangest feeling
With no vivid reason here to find
But yet the thought of losing you been hanging around
my mind

...KC sing it...

Far more frequently you're wearing perfume
And with the same no special place to go
But when I asked will you be coming back soon
You don't know...never know

I'm a man of many wishes
Hope my premonition misses
But what I really feel
my eyes won't let me hide
Cause they always start to cry
cryyyyyyy
cause this time could, mean, good goodbye

bye bye bye bye bye bye

oh you won't you tell me ya

Lately I've been staring in the mirror
very slowly taking me apart
said

I'm trying to tell myself that I have a reason in your
heart

Kc sing it sing it

Now just the other night while you were sleeping
I vaguely heard you whisper someone name
but uh, when I asked you all the thoughts your keeping
You just said....nothing

I'm a man of many wishes
hope my premonition misses
but what I really feel
my eyes won't let me hide
cause they always start to cry
ya ya baby
cause this time could mean goodbye
(more moaning)

repeat chorus

(more moaning)

(damn these guys sure moan a lot)
