Baby, don't go
Baby, don't go
Baby, don't go
I need you

Talk to me, tell me
Where you were
Late last night
You told me, with your friends
Hangin' out
Late last night
You're lying, cause your stuttering
Now where were you
Late last night
Stop lyin' to me
Cause you're tickin' me off
See, you're tickin' me off
Ooo girl

CHORUS: 4x
I can tell you're lying, cause when you reply you
Stutter, stutter
Stutter, stutter

I called you on your cell phone
No answer
Tell me why
So I paged you on your two way
Still no response
Tell me why
I took care of you, I loved you
And you played me
Tell me why
Stop lyin' to me about where you been
Cause you're tickin' me off
Oh

CHORUS: 4x

It's funny to me

When you lie to me

You start stuttering, tripping
I called you, baby
And tell me why
It's funny to me
When you lie to me
You start stuttering, tripping
I called you, baby

I smell cologne, damn it's strong
How'd you get it on
I'm not dumb
He messed up your hair, makeup's everywhere
Ooo yeah
I'm not dumb
Girl, you're crying, cause your lying
To my face
I'm not dumb
Stop lyin' to me about seeing a man
Cause you're tickin' me off
Oh

CHORUS: 8x

No more from you
Oh, get on baby
No more from you
I hear you lying
I hear you stuttering
Stuttering
Stuttering
Stuttering
Stutter, stutter
Oh girl
You should leave me alone
Get the hell on
