

## **K-Ci & Jojo "Wanna Do Right"**

Visit "[Wanna Do Right](#)" on MotoLyrics.com

My lady, my lady, listen

I'm been doin' you wrong for so damn long  
But now I wanna do the right thing by you lady  
I can't live like this no more  
I've gotta get you back some how some way  
Please come home

I've been doin' you wrong, girl  
For so damn long, girl  
Now I'm singin' this song, girl  
'Cuz, baby, I wanna do right

I've been doin' you wrong, girl  
For so damn long, girl  
Now I'm singin' this song, girl  
'Cuz, baby, I wanna do right

Time goes by we grow apart  
But now I've had a change of heart, please believe me  
There's no smile upon my face no, no, no, no, no  
'Cuz I know the truth is standing right in, in my, my face

I've been doin' you wrong, girl  
For so damn long, girl  
Now I'm singin' this song, girl  
'Cuz baby, I wanna do right

I've been doin' you wrong, girl  
For so damn long, girl  
Now I'm singin' this song, girl  
'Cuz, baby, I wanna do right

No, I can't lie  
No, I can't cheat  
No, I cannot play  
Baby, I just can't stay runnin'

Girl, I wanna be the man that you need  
Girl, can't you take me back  
Baby, baby, please

If you don't take me back, I'll understand  
Yes I will, yes I will  
It's only my fault 'cuz I was not a real man

I'll do the very best I can  
Oh, yes, I will  
I raise my hand to God  
I won't never, never, never, I would never cheat again,  
baby

I've been doin' you wrong, girl  
For so damn long, girl  
Now I'm singin' this song, girl  
'Cuz, baby, I wanna do right

I've been doin' you wrong, girl  
For so damn long, girl  
Now I'm singin' this song, girl  
'Cuz, baby, I wanna do right

I've been doin' you wrong, girl  
For so damn long, girl  
Now I'm singin' this song, girl  
'Cuz, baby, I wanna do right

I've been doin' you wrong, girl  
For so damn long, girl  
Now I'm singin' this song, girl  
'Cuz, baby, I wanna do right

I've been doin' you wrong, girl  
For so damn long, girl  
Now I'm singin' this song, girl  
'Cuz, baby, I wanna do right

All I gonna do is cry  
Cry, cry, baby, all I gonna do is cry  
I love you, you know, I love you  
You know I'm so sorry, baby  
I would never, never, never, never, never, never cheat  
again
