What am I gonna
What am I gonna
What am I gonna
What am I gonna do?

What am I gonna
What am I gonna
What am I gonna
What am I gonna do?

What am I gonna
What am I gonna
What am I gonna
What am I gonna do?

What am I gonna
What am I gonna do?
What am I gonna do?

We fell in love a year ago
Everything was fine
And then you started hangin' out late
All the time, all the time

I had to eat all alone
I had to sleep all alone
I had no one to call my own
'Til I fell in love with someone new

If you love me and I love you, baby why you've been
duckin' me?
Late at night when it gets cold, I have no one to hold
If I love you and you love me, baby why?
Now I've got two, what am I, what am I gonna do?
What am I gonna do?

What am I gonna do, baby?
Jojo, help me sing it

I ran into you the other day
Everything was fine
Until I saw you hangin' out

With another guy, with another guy

I knew you had someone else
That's why I found someone else
You tryin' to play me but I guess
I guess you seen that I wasn't goin' for that

If you love me and I love you, baby why?
Late at night when it gets cold
I have no one to hold
If I love you and you love me, baby why?

Now I got two
What am I, what am I gonna do?
What am I gonna do?
What am I gonna do?

Baby, I gotta know
I need to know
Tell me, tell me
Tell me baby

What am I gonna do?
What am I gonna do?
What am I gonna do?
What am I gonna do?

If you love me and I love you, baby why?
Late at night when it gets cold
I have no one to hold
If I love you and you love me, baby why?
Now I've got two, what am I, what am I gonna do?

If you love me tell me why? Yeah, yeah, oh
