Turn this up
Turn this up
Yo
Uh-huh
Yes
No, no, no beat
Uh-huh
No, no, no beat
Uh-huh, uh-huh
Bring it
Bring it

Heaven only knows (uh-huh)
'Cause I don't understand (understand)
Won't you tell me please (tell me)
What's the master plan (master plan)
Spent so many days (many days)
Sitting on a cloud (sitting on a cloud)
Heaven only knows (only God knows)
So I'll just move the crowd

Yo tell em
Tell em
Now
Now
Now

I break out my physical shell
And excel past the so called body
Used to go to the party
But now I sit and chill with the pen and the pad
Dropping I'll philisophical science
Me and my dad we talk about life
And how it started
How we departed from lights path
And probable right math
The task at hand
Is making people understand
That we're not who we think we are
Within this land of lost the cost of souls could be so
high
People be getting high

Wondering why we die
But it's all planned
To get your fear take the hand
We keep on returning because the lessons need
learning
Concerning the fact
I sing and I rap
I hold this mic contact
Critics can step back and analyze
I energise with cosmic rays of days
There ain't no
I get my signals from the sun

Heaven only knows
'Cause I don't understand (don't understand)
Won't you tell me please ('cause I pray every day)
What's the master plan (the master plan)
Spent so many days (many days)
Sitting on a cloud (sitting on a cloud)
Heaven only knows (only God knows)
So I'll just move the crowd

Yo
Riddle me this
Riddle me this
Like this:

Melodical prodigal flows
Hypnotical blows to brain pieces
Telekenisis
When I reach this pinnacle cynical clinical
Microphone autobots waiting on lotto spots
Trying to rock
But yo they can't understand
There's only one plan
The time is at hand
In the year two zero one one
The people of the sun return to free the Righteous
children
Now
I know you want to be on top of the world
Giving a diamond and pearl to your girl Watching your
jac'causei swirl
Seems like material lust
We need to look up to the heavens for imperial trust
Me
It's kinda hard when you rhyme sometimes
Everybody wants to scrutinize
Re-define who you are
But every person is a star
So let your light shine far

And praise God

Heaven only knows (only knows)
'Cause I don't understand (don't understand now)
Won't you tell me please (tell me please)
What's the master plan (I wanna know the plan)
Spent so many days (many days)
Sitting on a cloud (sitting on a cloud)
Heaven only knows
So I'll just move the crowd

If you feel this
Sing it with me like
Sing it with me like
Sing it with me like

La la la lalala lala lala
I'll just move the crowd for now

La la la lala lala (la la)
I'll just move the crowd for now

Somebody told me
They said:

"If you free them
They will start revolution and Babylon cannot defeat
them"
(right
And they don't want that
And they don't want that
And they don't want that)
"If you free them
They will start revolution and Babylon cannot defeat
them"
(mind revolution
Mind revolution)

And so yeah uh-huh
My sister Sage
And my girl Graf (you know the time)
The Shadow Thorn
And S-Love, and uh
And Nigel, and uh
The Figure Four, uh-huh
The Rascalz, and uh
And Kardinal, and uh
My mom and dad, uh
My brother A, and uh
My brother J, and uh
The whole world, uh-huh

The T-Dot, uh-huh
The Van City, uh-huh
The whole world, uh-huh
You get love, uh-huh
