Lady in the limelight
Lady in the gaze of a thousand eyes
You showed me the sign
You've opened my mind

Lady in the limelight
Lady in the gaze of a thousand eyes
You showed me the sign
You've opened my mind in time

Lady in the limelight
I could not have made it on my own
You showed me the way
You taught me to pray

Not so long ago
I was blind, I was blind
Wouldn't let my feelings show
Thought I way cool, but you knew better

When you came along
I was wrong, I was wrong
Told myself I was strong
But it took you to call my bluff

Lady in the limelight
Lady in the gaze of a thousand eyes
You showed me the sign
You've opened my mind in time

Lady in the limelight
I could not have made it on my own
You showed me the way
You taught me to pray

Even to this day
I'm amazed, I'm amazed
Cannot find the words to say how I feel
It's so unlike me

To be laying at your feet
You're the angel I was born to meet

You're more than occasional treat
You're my life

I'll never let you go, my love
'Cos no-one can replace
The overwhelming grace
Of your exquisite face
You gave me my soul
You restored my soul...

Lady in the limelight
Lady in the gaze of a thousand eyes
You showed me the sign
You've opened my mind in time

Lady in the limelight
I could not have made it on my own
You showed me the way
You taught me to pray
