Turn this up

Turn this up

Uh huh

No beat

Uh huh

No no no beat

Uh huh uh huh

Bring it

Bring it

Heaven only knows

uh uh

Cuz I don't understand
understand

Won't you tell me please
tell me please

What's the master plan
master plan

Spent so many days
many days

Sitting on a cloud
sitting on a cloud

Heaven only knows
only god knows

So I'll just move the crowd

Yo tell em

Tell em

Now

Now

Now

I break out my physical shell

And excel past the so called body

Used to go to the party

But now I sit and chill with the pen and the pad

Dropping ill philisophical science

Me and my dad we talk about life

And how it started

How we departed from lights path

And probable right math
The task at hand is making people understand that
we're not who we think we are
Within this land of lost the cost of souls could be so
high
People be getting high wondering why we die
But it's all planned
To get your fear take the hand
We keep on returning because the lessons need
learning
Concerning the fact
I sing and I rap
I hold this mic contact
Critics can step back and analyze
I energise with cosmic rays of days
There ain't no ??? ??? of the sun

heaven only knows
cuz I don't understand
don't understand
wont you tell me please
cuz I pray every day
whats the master plan
the master plan
spent so many days
many days
sitting on a cloud
sitting on a cloud
heaven only knows
only god knows
so I'll just move the crowd

yo
riddle me this
riddle me this
like this

melodical prodigal flows
hypnotical blows to brain pieces
telekenisis
when I reach this pinnacle cynical clinical
microphone autobots waiting on lotto spots
trying to rock
but yo they can't understand
there's only one plan
the time is at hand
in the year two zero one one
the people of the sun return to free the righteous
children
now!, I know you want to be on top of the world
giving a diamond and pearl to your girl watching your

jacuzi swirl
seems like material lust
we need to look up to the heavens for imperial trust
me!, it's kinda hard when you rhyme sometimes
everybody wants to scrutinize
redifine who you are
but every person is a star
so let your light shine far
and praise god

heaven only knows
only knows
cuz I don't understand
don't understand now
wont you tell me please
tell me please
whats the master plan
I wanna know the plan
spent so many days
many days
sitting on a cloud
sitting on a cloud
heaven only knows
so I'll just move the crowd

if you feel this
sing it with me like
sing it with me like
sing it with me like

la la la lala lala
I'll just move the crowd for now

gotta move the crowd
gotta move the crowd
gotta move the crowd

la la la lala lala
I'll just move the crowd for now

somebody told me
they said uh

if you free them
they will start revolution and babylon cannot defeat
them
(right
and they don't want that
and they don't want that
and they don't want that)
if you free them

they will start revolution and babylon cannot defeat
them
(mind revolution
mind revolution)

and so uh uh
my sister sage
and my girl graf
you know the time
the shadow thorn
and s love
and ??? gel
the figure four
and uh
the rascalz
and uh
and kardinal
and uh
my mom and dad
and uh
my brother a
and uh
my brother j
uh huh
the t dot [go toronto wOOO!]
uh huh
the van city
uh huh
the whole world
uh huh

uh huh
