The night has fallen
And the stars abound
Black sky with silver lining
All around

The clock on the wall
Stops in disbelief
No hour may pass
When I cannot sleep

Time above the towers
Frozen still
Silence moving in
For a silent kill

Oh I cannot sleep
For all the secrets
That I keep
Darkness calls
But I'm in too deep
My dreams have let me down
I'm losing sleep

The night has fallen
And the stars abound
Black sky with silver lining
All around
Dreams are stolen
Oh what an omen
In the still
NO words are spoken
The night has fallen
And the stars abound

Oh I cannot sleep
For all the secrets
That I keep
Darkness calls
But I'm in too deep
My dreams have let me down
I'm losing sleep

The clock on the wall
Stops in disbelief
No hour may pass
When I cannot sleep

Time above the towers
Frozen still
Silence moving in
For a silent kill

The night has fallen
And the stars abound
Black sky with silver lining
All around
Dreams are stolen
Oh what an omen
In the still
NO words are spoken
The night has fallen
And the stars abound
