She could turn the sand into glass  
She could steal a jewel from the past  
She could steal the sun out of the sky  
Reach for a star never to high

Don't shoot me down  
Not that you would  
Don't pass me by

Baby, she's a superstarr who likes to dream  
Baby, says to me, her mind is never gonna change  
Baby, she's a superstarr who likes to dream  
Baby, says to me, her mind is never gonna change

Never change  
(Superstarr, superstarr)  
Never change  
(Superstarr, superstarr)  
Never change  
(Superstarr, superstarr)  
Never change

Intoxicate my every thought  
Try to forget things I forgot

And don't shoot me down  
Not like you would  
Don't pass me by

Baby, she's a superstarr who likes to dream  
Baby, says to me, her mind is never gonna change  
Baby, she's a superstarr who likes to dream  
(Superstarr)  
Baby, says to me, her mind is never gonna change

Baby, she's a superstarr  
(Superstarr)  
Baby, she's a superstarr  
(Superstarr)  
Baby, she's a superstarr  
(Superstarr)  
Baby, she's a superstarr

(Superstarr)
