Not my choice to be here
I sibly heard the call
Giving you a chance
For some sick romance

I tired in vain
To kill the pain
The spasm in the vein
Driving me insane

Vertigo
Watch me go
Down with the sickness
That's none of your business
Vertigo
High and low
Fighting the demon
What a nightmare to dream on

There's nothing I could do now
I can get no cure
My only remedy's
To face the enemy
Your powers to allure

Walking down your street
That's no mean to feat
This life that you lead
What a life of deceit

Vertigo
Watch me go
Down with the sickness
That's none of your business
Vertigo
High and low
Fighting the demon
What a nightmare to dream on

Down with the sickness
That's none of your business

Fighting the demon
Of You
in me
