Iâ'm waiting for your letter
Iâ'm waiting for it to drop
Iâ'm waiting for it to fall
Iâ'm waiting for it to pop

Iâ'm waiting for your letter
Iâ'm waiting for it to sing
Iâ'm waiting for it to crawl
Iâ'm waiting for it to bring me

So many answers
In so many ways
With a voice thatâ's understanding
Where the mornings last for days
The things I want to tell you
The beats that I could drop
With a voice thatâ's understanding
Time is ours to stop

I need you to justify
All of the darkest things
I need to know why
You left the best of me

I need an apology
I need it without the salt
I need it to fix me
Iâ'm thinkin itâ's all my fault

Show me the answers
And show me the ways
With a voice thatâ's understanding
Where the mornings last for days
The things I want to tell you
The beats that I could drop
With a voice thatâ's understanding
Time is ours to stop

Iâ'm waiting for your letter
Iâ'm waiting for it to drop
Iâ'm waiting for your love
Iâ'm waiting for it to stop
