Long live the Fugitive..

Long live the Fugitive..

Always doin jail records yaknahmsayin?

I'll always write about jail

Long live the Fugitive..

Everybody that gets locked up ain't always guilty
yaknahmsayin?

Cops stop me on the block with my girl in my car
and found out I'm K Solo the Fugitive now known as a
rap star

I put the car in park and asked the cop what's the
trouble

They said "License and registration, Fugitive on the
double"

In my jacket, I reached in, before I heard the sound
They grabbed the sticks in the daylight, and started
beatin me down

My head and back hurt all over yo I woke up
handcuffed

hearin my girl screamin, "Are you alright Solo?"

I told the cops y'all can go to hell

They said, "Remember Corky?" Corky? "Yeah we know
his family well

Times up, you're headed back to a jail cell"

Jail's a place I used to live

and I'll be back with more and more hard jail cuts

Long live the Fugitive.. "K-S-O-L-O"

Long live the Fugitive.. "K-S-O-L-O"

Long live the Fugitive.. "K-S-O-L-O"

Long live the Fugitive.. "K-S-O-L-O"
