Can you see  
You and me?  
Don't you know  
You've got to show?  
That you care  
For me...

The night is dark  
No light, no spark  
Nowhere to go  
I miss you so, oh

Do you really need me?  
Do you really care?  
I just wanna please you  
I've got so much to share  
(I've got so much to share)

Do you really need me?  
Do you really care?  
I just wanna please you  
I've got so much to share  
(I've got so much to share)

Hold me tight  
Through the night  
Take my hand  
(Take my hand)  
Show me the land

People share tonight  
The night is right  
This sparkling light  
A place to go  
I love you so, oh
