Even through the darkest phase, be it thick or thin
Always someone marches brave here beneath my skin
And constant craving has always been

Maybe a great magnet pulls all souls towards truth
Or maybe it is life itself that brings wisdom to its youth
Constant craving has always been
Craving, ah-ha, constant craving has always been
Has always been

Constant craving has always been
Constant craving has always been

Craving, ah-ha, constant craving has always been
Has always been
Has always been
Has always been
Has always been
Has always been
