A man decides after seventy years
That what he goes there for, is to unlock the door
While those around him criticize and sleep
Criticize and sleep

And through a fractal on a breaking wall
I see you my friend and touch your face again
Miracles will happen as we trip
Happen as we speak, will happen as we speak

But we're never gonna survive
Unless we get a little crazy
No we're never gonna survive
Unless we get a little crazy

Crazy, crazy

Crazy German people walking through my head
One of them is got a beer, he's yelling in my ear
David Pollack finally lost his mind
That was 5 years a go, at an S.O. show

But we're never gonna survive
Unless we get a little crazy
No we're never gonna survive
Unless we get a little crazy

In a sky full of people
Only some want to fly
Isn't that crazy?

In a world full of people
Only some want to fly
Isn't that crazy?

In a handful of people
Only some want to fly
Isn't that crazy?

Crazy

But we're never gonna survive

Unless we get a little crazy
No we're never gonna survive
Unless we get a little crazy

But we're never gonna survive
Unless we get a little crazy
No we're never gonna survive
Unless we get a little
