\*Don't let the stars get in your eyes  
Don't let the moon break your heart  
Love blooms at night  
In daylight it dies  
Don't let the stars get in your eyes  
Oh keep your heart for me  
For someday I'll return  
And you know (see) you're the only one  
I'll ever love

Too many nights, too many stars  
Too many moons could change your mind  
If I'm gone too long  
Don't forget where you belong  
When the stars come out  
Remember you are mine

(repeat \*)

Too many miles, too many days  
Too many nights to be alone  
Oh please keep your heart  
While we're apart  
Don't't linger in the moonlight  
While I'm gone

(repeat \*)
