You see the kid who just tags along  
To young to know what was going on  
Wouldn't give me the time & day  
Well little sister grew up and hey don't you see  
I think you need for you to take me seriously

Coz you seriously got a lot of  
Things to say don't you see  
How it could be

CHORUS:

I could be the girl who most likely to  
Blow you away with what I can do  
Maybe I'm a superstar maybe I'll double cross in my  
head

I could be the girl who most likely to  
Make every dream I'm dreaming come true  
What you see is what you get  
I haven't even happened yet, haven't even happened  
yet

Who knows someday I could be frontpage news  
Everybody's wishin they're in my shoes  
And I'll bet you'll never guess  
And all the time inside the backseat instead  
Telling all the world what was in my head  
And I definitely got a lot of

Things to do don't you know, how I could go...

CHORUS:

I could be the girl who most likely to  
Blow you away with what I can do  
Maybe I'm a superstar maybe I'll double cross in my  
head

I could be the girl who most likely to  
Make every dream I'm dreaming come true  
What you see is what you get  
I haven't even happened yet, haven't even happened

yet

Oh... Oh...

It could go either way

Oh... Oh...

I could be the one to say

I told you so... Eh...

(I could be the girl who most likely to

Blow you away with what I can do

Maybe I'm a superstar maybe I'll double cross in my  
head

I could be the girl who most likely to

Make every dream I'm dreaming come true

What you see is what you get

I haven't even happened yet, haven't even happened  
yet)
