Oh yeah, ooh
Yeah, oh yeah
Ooh
Pa ra pa ra, oh yeah

Girl, you know I need your lovin'
I need it close to me
Wrap your arms around me
Take me to heaven, please

Baby, don't you hold back
I need all of your love
Baby, won't you hold me?
Take me to the stars above

Come on, let's go rock and roll
Let's go rock and roll
Let's go rock and roll
Let the music down in your soul

Baby, don't you know I love you?
I never, never do you no wrong
Baby, you know I wanna love you all night
I wanna love you all night long

And when you make me feel good
Touchin' me with your hands
You make me feel like I'm like
Ow, one hell of a man

Come on, let's go rock and roll
Let's go rock and roll
Let's go rock and roll
Let the music down in your soul

Pa ra pa ra
Pa ra pa ra
Pa ra pa ra
Pa ra pa ra

Let's rock, let's roll

Ah, let's rock, let's roll
Come on baby, baby, let's go
Let's rock, let's roll
Come on baby, baby, let's go rock and roll

Let's rock, let's roll
Come on baby, baby, let's go rock and roll
Ah, let's rock, let's roll
Come on baby, baby, let's go rock and roll

Let's rock, let's roll
Come on baby, baby, let's go rock and roll
Ah, let's rock, let's roll
Come on baby, baby, let's go
