I want you tonight  
I watch your body moves  
And your moves are out of sight  
I know you've got to tools  
To fix a grown man upright  
We'll be dancin' and romancin'  
Oh baby, won't you spend the night  
We'll be movin' -- it's so soothin'  
Don't it make you feel alright  
Can you find your see-through gown  
So we can lay your body down  
Won't you put on your negligee  
So we can play tonight  
I want you tonight  
Party with your body  
Baby, party hardy  
Party with your body  
I want you tonight  
Party with your body  
Baby, party hardy  
Party with your body  
I want you tonight  
Now jazzercise is the latest trend  
She keeps me up with hype  
It was designed to keep her body thin  
Boy I'm hot tonight

We'll be dancin' and romancin'  
Oh baby, won't you spend the night  
We'll be movin' -- it's so soothin'  
Don't it make you feel alright  
Can you find your see-through gown  
So we can lay your body down  
Won't you put on your negligee  
So we can play tonight  
I want you tonight  
I want you tonight  
Party with your body  
Baby, party hardy  
Party with your body  
I want you tonight  
Party with your body

Baby, party hardy  
Can you find your see-through gown  
So we can lay your body down  
Won't you put on your negligee  
So we can play tonight  
I want you tonight  
Party with your body  
Party with your body  
I want you tonight  
I want you tonight  
Party with your body  
I want you tonight
