In every night club across the nation
She's the life of the party, she's a real sensation
She's got style, y'all, she's got class
She can groove it slow or move it real fast
In the early evenin' through the midnight hour
She keeps swingin', she's got super power

She's the queen of clubs
She's the queen of clubs

If you throw a party and she ain't there
Well, well, well, well
People, let me tell you that your party's nowhere
From city to city and coast to coast
She's more than the hip now, she's the most
Up in the mountains, out in the plains
Down in the valleys, they echo her name

She's the queen of clubs
She's the queen of clubs

Here she come, fine lady

She's the queen of clubs, out in the valley
She's the queen of clubs, out in the valley
She's the queen of clubs, out in the valley
She's the queen of clubs

She's the queen of clubs
She's the queen of clubs, out in the valley
She's the queen of clubs
She's the queen of clubs
