(Verse 1)

Smack the world
And
Let the beat drop
Spin the chair
And
Let ya seat pop
I know you think someone's gonna stop me now
Drop me now
To make people think they've shot me down
I've had enough
I've caught you the jig is up
I'll make you quake
My lyrics
Will make you shake
To stop me now
You need more than the brakes you take
'Cause if you think I'm done you've made a big mistake
People really think that I'm down and out
They seem to not know what I'm all about
But if you really think that I'm down below
Then you never met Keanu before
So go ahead
Think what you want
I know all ya'll fools
Are thinking blunt
But I don't really care that you claim to see
I seem to be
'Cause you people can't change me

(Chorus x2)

I'm Bold
I'm Black
I'm Stubborn
I'm Whack (x3)
But for my peoples I'll break my back

(Verse 2)

You don't like what's goin' on

You hate what I did
You know my attitude
I don't give a flip
Unless you respect me
Then I can keep a secret
'Cause your respect
Is what is required
For me to keep it
Ok, that's it
I'm done, I quit
Nah I'm just kiddin'
I'm not a chicken
But what is it
You have to say
I have to do something
Important today

(Chorus x2)

I'm Bold
I'm Black
I'm Stubborn
I'm Whack (x3)
But for my peoples I'll break my back

(Verse 3)

I'm all about that music
You already know
I really like to dance
I put on a show
I wear really thick glasses
'Cause I can't see
But I still know
When someone's messin' with me
I'd speed in my car
If I had one
'Cause I go so fast
When I walk and run
I change a lightbulb
In less than a second
And I always go out
Before someone can come back in
I go so fast
I should be a car myself
I don't just run
'Cause I do it for my health
I run so fast
So I can become faster
Then I can be
A runnin' and kickin' master

(Chorus x2)

I'm Bold

I'm Black

I'm Stubborn

I'm Whack (x3)

But for my peoples I'll break my back
