(Verse 1)

A to the B to the C to the D  
You already know me I'm Muhammad Ali  
I run the nature and the nature runs me  
'Cause I float like a butterfly and sting like a bee  
Everybody knows when I walk in I'm the greatest  
Anyone who wants more of me here take this  
Every girl who never had me says they hate this  
And then people never want me when they say this  
I'm the best out of all the newcomers  
I'm the keys to the brand new Hummers  
These fools up in here think that they got me  
Man I'm the speed that comes from the bugatti  
That is the fastest car in the world  
I'm gonna go faster than 1000 times the squirrel  
That may not make no sense, but hey  
Don't always focus on the things that I say

(Rip x3)  
Rock It!

I'm THE GREATEST IN THE WORLD!

(Verse 2)

I walk in with a two piece attached to my fists  
And when they make a sound they sound just like this  
BLAW! is the sound that they make when I punch  
When people beef my knuckles have faces for lunch  
Black, Cuban man walkin' 'round for an hour  
He's not just walkin' man, he's walkin' with power  
And if you gotta be the dumbest one in the class  
You will end up on the ground real, real fast  
My fist on a drum sounds louder than a base  
That's the sound I make when I'm poundin' on their  
face  
I may not choose to fight all the time  
But when I do I make their teeth rock like a chime  
I'm like a car everytime I draw near  
'Cause my fists start blastin' my fists to the max  
My fists start poundin' real, real fast

(Rip x3)  
Rock It!

I'm THE GREATEST IN THE WORLD!

(Verse 3)

I'm like a shark and you people are my bait  
You're hangin' right above me you don't wanna make  
me wait  
Stay away from the water if you don't wanna get eaten  
Please don't tempt my fists or you're gonna get beaten  
Stay out of the kitchen if you can't stand the heat  
Saying these things backwards really sound discrete  
I was thinkin' really hard when I wrote these lyros  
What do you get when you're not at school? Zeros  
That's the kinda grades thatcha get when you don't  
learn  
Then zeros are gonna be the only thing in life you earn  
I don't go and brag about the money I get paid  
I don't go and automatically shoot the fade  
I'm just an ordinary guy who likes to dance and sing  
But to some of my friends I am a king  
I was only 16 when I realized I can dance  
Sometimes it looked like I had ants in my pants  
Don't be confused like I do this for a livin'  
Bein' able to write some good lyrics is a givin'  
At least that's what I think but I wonder if you do  
Do you really think that my lyrics are good too?  
Say what do you give to the king of the cul-da-sac  
Keanu The Greatest what do ya think of that  
If you think I'm the best then I've already won  
That's 56 lines of music and now I'm done

(Rip x3)  
Rock It!

I'm THE GREATEST IN THE WORLD!
