BIG BIG LOVE

Oh can't you feel my love a'growin

Can't you feel it

Ain't it showin

Oh you must be knowin

I got a big big love

It's not the type to be concealing

It's the type to be revealing

Oh, you must be feeling

I got a big big love

I think it's time we done some walkin

I think it's time we done some talkin

Well there's a great big moon above

Honey, i got a big big love

This is not infatuation

It's true love's sensation

It's not my imagination

I got a big big love

For you

It's time we done some walkin

I think it's time we done some talkin

Well

There's a great big moon above honey

And i got a big big love

This is not infatuation

It's true love sensation

It's not my imagination

I got big big love

It's not the type to be concealing

It's the type to be revealing

Oh you must be feeling

I got a big big love

I got a big big love

I got a big big love

I got a big big love for you
