All this time thinking I was right  
Tried to keep my love from open sight  
But you Changed my mind

I was trying to be the one to coax  
Even tried to tell myself love was a joke  
Wakin' up and rakin' up a nights worth of dreams  
Sweeping them away so they wouldn't be seen  
I was tying up my wishes so they wouldn't unwind  
But you changed my mind

Used to work real hard at stayin alone  
Afraid a mountain of love would be left as a stone  
But you changed my mind

I even talked to myself  
Tryin to keep the voice in my heart inside asleep  
But you changed my mind

Wakin' up and rakin' up a nights worth of dreams  
Sweeping them away so they wouldn't be seen  
I was tying up my wishes so they wouldn't unwind  
But you changed my mind

Thinking all the while I had to control  
The place that burns deep in my soul  
Never woulda thought it would feel so cold  
After spending my nights alone  
Oh my mind  
Wakin up and rakin up a nights worth of dreams  
Sleepin them away so they wouldn't be seen  
I was tying up my wishes so they wouldn't unwind  
But you changed my mind

You changed my mind  
You changed my mind  
You changed my mind  
You changed my mind  
You changed my mind  
You changed my mind
