I'm gonna ring my baby tonight  
We'll go downtown, done up right  
Tap out toes  
Shuffle those heels  
When we dance I know it's real  
I'm in love, L-o-v-e, Love  
Dippity-do my hair to style  
Study the mirror for a while  
Take you home to wine and dine  
Put on the Hifi some Patsy Cline  
I'm in love, L-o-v-e, love  
Swing your partner  
Swing em up high  
Alleman left and leave em sigh  
Two steps round and round the floor  
Promenade right out the door  
Lead you to your corners all  
Huggin, Kissin  
Love, L-o-v-e, Love  
Swing your partner  
Swing em up high  
Alleman left and leave em sigh
