Everyone, everyday  
Looking for some  
Along the way  
Sometimes you wonder why  
It seems love just passes by  
Sometimes you wonder when  
Love will pass your way again

Anytime, anywhere  
You turn around  
And love is there  
Someone with something new  
Right there in front of you  
Someone with the stuff  
You can't get enough  
Of it

~\*~\*~

Love...  
When love surrounds you

Go on, get some  
Take all that you're given  
Go on, get some  
Get some of the love  
That you're giving someone  
Love...  
When love's around you  
When love...  
When love surrounds you

Go on, get some  
Take all that you're given  
Go on, get some  
Get some of the love  
You're given

Just go on, get some  
Get some of the love  
You're giving someone
