If i could only be the queen of popularity
Things would just come to me
So easily
What i would do
What I would do

If i could always be
Miss congeniality
No one could stand to be
Away from me
What i would do
What i could do

I could do anything
If i were you
I would have everything
If i were you

What i would do ...
What i could do ...

I could do anything
If i were you
I would have everything
If i were you
