I beg your pardon
I never promised you a rose garden
Along with the sunshine
There's gotta be a little rain sometime

When you take you gotta give
So live and let live and let go
I beg your pardon
I never promised you a rose garden
I could promise you things
Like big diamond rings
But you don't find rose growin'
On stalks of clover
So, you better think it over
Well, if sweet talkin' you
Could make it come true
I would give you the world right now
On a silver platter
But what would it matter?
So smile for a while
And let's be jolly
Love shouldn't be so melancholy
Come along and share the good times
While we can
I beg your pardon
I never promised you a rose garden
Along with the sunshine
There's gotta be a little rain sometime

I beg your pardon
I never promised you a rose garden
I could sing you a tune
And promise you the moon
But if that's what it takes to hold you
I'd just as soon let you go
But there's one thing I want you to know
You better look before you leap
Still waters run deep
And there won't always be someone there
To pull you out
And You know what I'm talkin' about

So smile for a while
And let's be jolly
Love shouldn't be so melancholy
Come along and share the good times
While we can

I beg your pardon
I never Promised you a rose garden
Along with the sunshine
There's gotta be a little rain sometime
