"So In Love"

Strange dear, but true dear
When I'm close to you, dear
The stars fill the sky
So in love with you am I

Even without you
My arms fold about you
You know, darling why
So in love with you am I

In love with the night mysterious
The night when you first were there
In love with my joy delirious
The thought that you might care

So taunt me, and hurt me
Deceive me, desert me
I'm yours till I die
So in love
So in love
So in love with you, my love, am I
