Shorty swing my way
You sure look good to me
Now would you please
Swing my way, shorty swing my way

I stepped off in a club on a Friday night
Lookin' for a man that would do me right
First move that I made was on the dance floor
But got down one time, then I went down for mo'

Physical action was happening at
Saw this young playa dip through the crowd
Looked over to my left and told my girl, hey
If, I see him again I'ma have to say and I'ma have to say

Shorty swing my way
You sure look good to me
Now would you please
Swing my way, shorty swing my way

Swing it over here shorty

Shorty swing my way
You sure look good to me
Now would you please
Swing my way, shorty swing my way

I got off the floor tryin' to find this man
Lookin' all around doing all I can, damn
He sure look
(Fine)
By the end of the night he's gonna be
(Mine)

I thought to myself he couldn't of gone far
Then, I saw him again standing at the bar
So, far everything is going my way
Now ,that I found him I'ma have to say

Shorty swing my way
You sure look good to me

Now would you please
Swing my way, shorty swing my way

Swing it over here shorty

Shorty swing my way
You sure look good to me
Now would you please
Swing my way, shorty swing my way

Got to get up the nerve to get my swerve on
Gotta do it fast or he'll be gone
'Cuz of the beat, just my luck
That somebody else will scoop him up

Can't have that
Wanna be that girl that
Find herself a perfect match
Didn't wanna come off as bein' too fly

Got contact eye to eye
Then I walked over to him slowly
I know that you don't know me
But this might be my only shot at

A tenderoni, he told me that we can do this
'Cuz a girl like you I can't resist
Got straight to the point, no time to play
Didn't need no game, just had to say

Shorty swing my way
You sure look good to me
Now would you please
Swing my way, shorty swing my way

Swing it over here shorty

Shorty swing my way
You sure look good to me
Now would you please
Swing my way, shorty swing my way

Shorty swing my way
You sure look good to me
Now would you please
Swing my way, shorty swing my way

I'll hold you tight all through the night
Anything that you want, I'll keep it chrump
Boy you're gonna see how good it can be
Just come to me, I'll

I'll hold you tight all through the night
Anything that you want, I'll keep it chrump
Boy you're gonna see how good it can be
Just come to me, I'll

Shorty swing my way
You sure look good to me
Now would you please
Swing my way, shorty swing my way

Swing it over here shorty

Shorty swing my way
You sure look good to me
Now would you please
Swing my way, shorty swing my way

You're lookin' good shorty,
Good, sure 'nuff good enough for me
You're lookin' good shorty,
Good, sure 'nuff good enough for me

You're lookin' good shorty,
Good, sure 'nuff good enough for me
You're lookin' good shorty,
Good, sure 'nuff good enough for me

You're lookin' good shorty,
Good, sure 'nuff good enough for me
You're lookin' good shorty,
Good, sure 'nuff good enough for me

You're lookin' good shorty,
Good, sure 'nuff good enough for me
You're lookin' good shorty,
So swing it over to me

Shorty swing my way
You sure look good to me
Now would you please
Swing my way, shorty swing my way

Swing it over here shorty

Shorty swing my way
You sure look good to me
Now would you please
Swing my way, shorty swing my way

I've been watching you from across the room

I wanna know your name
We'll just play it my way

Shorty, come my way, swing my way
Oh, swing my way, swing my way
Swing my way shorty, oh, yeah
