the joy I feel as the second I see you  
as I'm hypnotized and wise  
to the games your playing with me  
The lies you tell  
See, Envyi knows the deal  
with its irrelevant tonight  
'cause boy is so fly  
come over swing by,  
'cause baby we can set it off....  
Shorty swing my way  
Sure look good to me,  
now would you please  
swing my way (hmmmmm, swing my way)  
Shorty swing my way (oooohh oh oh oh oh\_  
shorty swing my way  
sure look good to me,  
now would you please  
swing my way  
shorty swing my way  
I heard through a friend  
that you have been with  
someone for close to close to 10 months  
and I don't know why you told me a lie  
'cause I don't really give a F\*\*\*  
Now its me and you  
so whatcha you wanna do  
I plan on making you mine  
I know you broke up last night  
so swing on by  
and baby we can set it off...
