Ahh
Yeah...
Rock it
Move move
Come on come on
Hey ladies let your body go
Move move
Come on come on
Hey hey ah hah

Zunga zunga bazunga zeng
Zunga zunga bazunga zeng
Zunga zunga bazunga zeng
Zunga zunga bazunga zeng
More emotion
Zunga zunga bazunga zeng
Zunga zunga bazunga zeng
Zunga zunga bazunga zeng
Zunga zunga bazunga zeng
Well I woke up this morning with the feeling of irration
Called your name and you gave me no attention
You didn't care how I feel inside
But like a fool I've been when I swallowed my pride
But you just don't care
You turn away and you act like I'm not there
Into my loneliness I fade away
I only got one thing to say

I love to turn you on
I love to turn you on
I love to turn you on
Come on so I can give you some more
I love to turn you on
I wanted you for oh so long
And now that you're gone
(You know?)
I wish that I could turn you on

Zunga zunga bazunga zeng
Zunga zunga bazunga zeng
Zunga zunga bazunga zeng
Fuck this place 1 2 1 2 let's do it together now

Zunga zunga bazunga zeng
Zunga zunga bazunga zeng
Zunga zunga bazunga zeng

It's such a mystery the things that you do to me
I don't know whether to laugh or to cry
Sometimes I feel so free
But then when you're with me
The pressure makes me feel like I'm gunna die
You drive me crazy and don't give me time to think
And then you say that you're runnin away
Till I find out the truth for me and you
I just got one thing to say

I love to turn you on
You know I turn you on
I love to turn you on
With a kiss from my lips I turn your body on
I love to turn you on
I wanted you for oh so long
And now that you're gone
I wish that I could turn you on

Won't stop
I wanna kiss ya like ya like it
I'm gunna love her just like ya like it
And if you wanna try to come and get me
I'll make sure that you never forget me

I love to turn you on
I love to turn you on
I love to turn you on
I wanted you for oh so long
And now that you're gone
I wish that I could turn you on

Zunga zunga bazunga zeng
Zunga zunga bazunga zeng

Move move, come on come on
Hey ladies let your bodies go
Move move come on come on

I love to turn you on
(Zunga zunga bazunga zeng)
I love to turn you on
(Zunga zunga bazunga zeng)
I love to turn you on
(Zunga zunga bazunga zeng)
I wanted you for oh so long
(Zunga zunga bazunga zeng)

And now that you're gone
(Zunga zunga bazunga zeng)
I wish that I could turn you on
