One, two, three, four

Verse 1:

Are you missing me like I miss you  
Do you miss the things we used to do  
Like all stroll on lovers' lane  
Do you still feel the same  
Are you missing me like I miss you  
All our lives we were so happy  
Now I'm sad and blue  
Would you like to start all over  
And make our dreams come true

Chorus:

Are you missing me like I miss you

Can we still make love (still make love) and start anew  
(and start anew)

If you're not in love with me like I want you to be  
You're not missing me like I miss you

Verse 2:

All our lives we were so happy  
Now I'm sad and blue  
Would you like to start all over  
And make our dreams come true

Chorus:

Are you missing me (missing me) like I miss you
