Now there's a little baby her name is Carly Rose
She is the sweetest thing no matter where she goes
I think of her with tenderness and so much love inside
She's such a joy and fills me up with pride
And she calls me Kako my little Hawaiian girl
She dances to my music with the cutest ehu curls
When I see her my little darling she always makes my
day
A baby that's so precious in each and every way
He pepe li'ili'i kapa ia o Carly Rose
He pua lahilahi I ka nana aku no
No na ku'u halia aloha ke aloha make mae

Hau'oli no'o loko ha'aheo ho'i wau
Hea ku'u lei a KakoMe ka hula ana mai
Ku'u wele mai ke oho I lei po'o ehu e
Ke ike au ia pepe he malu ho'i wau
He lei hiwa hiwa e lei mau ai
And she calls me Kako my little Hawaiian girl
She dances to my music with the cutest ehu curls
When I see her my little darling she always makes my
day
A baby that's so precious in each and every way

A baby that's so precious in each and every way
