Verse 1:

You don't write, and I been waitin' for your call  
You say you busy, baby, but is that really all  
Maybe it's just the loneliness that's driving me insane  
When you used to play, or is it just a game

Chorus:

If it's so, then we were meant to be  
Then why, oh why, did you go away  
And leave me blue...oh

You don't write

No, you don't write

Verse 2:

You don't write, don't gimme no excuse  
Sick and tired of all'a your abuse  
So don't say you love me when you're miles and miles  
away

Cuz when the cat's away, the mice pretend to play

Chorus:

If it's so, then we were meant to be  
Then why, oh why, did you go away

And leave me blue...oh

You don't write

Oh, you don't write

(uke break)

Verse 2 (repeat):

You don't write, don't gimme no excuse  
I'm sick and tired of all'a your abuse  
So don't say you love me when you're miles and miles  
away

Cuz when the cat's away, the mice pretend to play

Chorus:

If it's so, then we were meant to be  
Then why, oh why, did you go away  
And leave me blue...oh

You don't write

Me anymore

You hardly call me on the phone

I'm all alone

Won't you come on home

No, you don't write...

No, you don't write

Oh, you don't write...  
No, you don't write
