(James Taylor)  
Do me wrong, do me right  
Tell me lies but hold me tight  
Save your goodbyes for the morning light  
But don't let me be lonely tonight  
Say goodbye and say hello  
Sure enough it's good to see you and it's time to go  
Don't say yes but please don't say no  
I don't want to be lonely tonight  
Go away and damn you  
Go and go as you please  
You ain't gonna see me getting down on my knees  
Just about undecided and your heart's been divided  
It's been turning my world upside down  
Do me wrong, do me right  
Tell me lies but hold me tight  
Save your goodbyes for the morning light  
But don't let me be lonely tonight  
Go away, go away, go away then damn you  
And do as you please  
Darling you ain't gonna see me getting down on my  
knees  
I'm undecided and your heart's been divided  
It's been turning my world upside down  
So do me wrong, do me right  
Tell me lies but hold me tight  
Save your goodbyes for the morning light  
But don't let me be lonely tonight  
Please don't let me lonely tonight  
Do what you've gotta do  
Go wwhere you've gotta go  
Follow your heart my darling  
But before you go  
I want you to know  
Please don't let me be lonely tonight  
Do what you've gotta do  
Go where you've gotta go  
Follow your heart darling  
But before you go  
Do what you've gotta do...
