A Fall from Grace that is Eternal  
Into Endless Maelstrom Chasms  
Through Timeless Chaos Aeons  
By Virute of Rebellion

Emerged into the Fields of Mythos  
Reborn as Beast and thus Received  
Heretic Tongue with Words of Fire  
Satanic Might in Darkness Shrouded  
Dawn of Fire... Son of Flame  
Lucifer... Rising...

Flaming Zenith  
Mighty Fiend  
Dreadful Light  
Infernal Star

Gruesome Grandeur  
Crowned As King  
By Terror Known  
Serve Through Sin

Lepaca Lucifer
