This big old car, gonna take us home  
This big old car, gonna take us home  
Gonna take us home to what we know so well  
This big old car gonna take us home

Gonna take us all the way to Brisbane  
All the way to Cairns  
Back across to Katherine  
To the Fitzroy River sands  
Gonna see the Indian Ocean  
And we'll turn around and then  
This big old car's gonna take us home again

Ain't got no rattle free transmission  
Ain't no good around the town  
There's no fitted air conditioning  
We just roll the windows down  
And throw another tape in  
And turn it up and pray  
This big old car gonna take us all the way

This big old car gonna take us home  
This big old car gonna take us home  
Gonna take us home to what we know so well  
This big old car gonna take us home  
This big old car gonna take us home  
Gonna take us all the way and back  
However far we roam  
Take us all the way to  
Chroma plated big V8'd heaven  
This big old car's gonna take us home again
