Yeah Yeah Yeah

He knew it was dangerous, he was a man just like me
He watched those pretty little fingers pull that apple
right off of that tree
His heart said you know better, he tried his best to fight
But he caved in so easy when she said baby do you
want a bite.

Chorus

Blame it on the devil, blame it on the tree
Blame it on the story that they didn't believe
That kind of hunger ain't satisfied easily
She blamed it on adam and he blamed it on eve...

You say you know better, and I should know better too
But I give up my forever for just one night with you
So tell me you don't love me, this ain't where it could
belong
Oh wrap those arms around me baby and bring the
apple on...

Chorus

Blame it on the devil, blame it on the tree
Blame it on the story that they didn't believe
That kind of hunger ain't satisfied easily
Well she blamed it on adam and he blamed it on eve...

Oh Yeah

Oh blame it on the devil, blame it on the tree
Blame it on the story that they didn't believe
That kind of hunger ain't satisfied easily.. Yeah
Blame it on the devil, blame it on the tree
Blame it on the story that they didn't believe
That kind of hunger ain't satisfied easily.....Yeah
She blamed it on adam and he blamed the whole thing
on eve

Just blame it on eve
Blame it on me
Oh Babe On me

Just blame it on me

Everyone's lookin' for someone to blame
I blame it on you.....You blame it on me
